Comments:			
 I object to the planned Far safety hazards for the surr school located right next to The ROMF site is planned including 1,000 gallons of explosion risks. The fluids 	to hold large quantities of controlled fluids, used oil. Some of these fluids pose fire or would have to be hauled to and from the site by concerns. All of this is supposed to happen in the	controlled fluids, ds pose fire or and from the site by
